10. Remarks
 As the Finance ^{Secretary} Director for the City of White Sulphur Springs, I would give my highest recommendation to tasking Disaster Solutions in to assist in a catastrophic response. Scott's knowledge of procurement and contracting operations following a disaster saved our City \$100's of thousands of dollars. The first \$25,000 Cat B, Emergency Services contract was fully reimbursable from FEMA, and within its first 48 hours, Disaster Solutions was on the road to recovering more than \$250,000 more from FEMA for all the local small businesses who helped during the flood. Our City also has been at the head of the rest of the state's impacted cities and counties in terms of all FEMA Categories of Public Assistance - solely due to Disaster Solutions' efforts and its focus on hiring locals to assist. Disaster Solutions' costs were returned more than ten-fold to our City. Other cities looking to save this emergency expenditure only hurt themselves.
